SUMMARY

Dedicated web developer with 5 years of experience in the Web development field (PHP-based stack). Skilled in PHP, Laravel, Vue.js, and WordPress, with a robust understanding of RESTful APIs, HTML5, CSS3, Bootstrap, jQuery, MySQL, and JavaScript. Dedicated to continuous improvement and growth, currently exploring MEAN and MERN stacks to broaden technical proficiency. Passionate about leveraging web development to drive client success and business growth.

Have built a huge variety of websites and web systems like: (personal – educational – portfolio websites – E-commerce – LMS – CRM – different Dashboards – etc…).

WORK EXPERIENCE

PHP Developer │ SiParadigm │ Part Time   Feb 2024 - Present

Senior Web Developer with expertise in integrating innovative features to enhance user experience for a US company. Skilled in competitive analysis to refine web strategies, and adept at creating responsive email templates compatible with all major email clients.

Senior Laravel & Vue.JS Developer │ SAT-Education │ Full Time   Jan 2020 - Jan 2024

Senior Laravel and Vue.js Developer with 4 years of experience, successfully led the development of a comprehensive website and critical CRM/ERP systems for a prominent Saudi Arabian company, driving digital transformation, enhancing efficiency, and significantly increasing profitability, while managing a multidisciplinary team to ensure high-quality, cohesive deliverables.

WordPress Developer │ E-Rankers │ Part Time   Jan 2020 - Jan 2024

WordPress Developer at E-Rankers, dedicated to crafting high-performance WordPress websites from the ground up using Advanced Custom Fields (ACF). Over 4 years, successfully designed and developed numerous sites that not only excelled in speed and functionality but also significantly boosted client sales. Known for creating user-centric designs and addressing client-specific issues to achieve their goals and enhance overall website performance.

Full Stack Developer │ Smart-Ad │ Full Time   Jan 2019 - Jan 2020

Focused on rapidly creating functional WordPress themes using Elementor Plugin, ensuring both speed and functionality in web development projects.

Full Stack Developer │ Freelancer   Feb 2018 - Jan 2019

Provided comprehensive web development services across multiple platforms including Upwork, Fiverr, and Freelancer, while leveraging an extensive network to deliver customized solutions and meet a wide range of client needs.

Full Stack Developer │ D-Taxi │ internship   Jun 2017 - Dec 2017

Gained foundational experience in web development by contributing to various projects, assisting in the creation of functional web solutions, and supporting senior developers in enhancing overall project delivery.
